

Tyres, Batteries, Exhausts and Glass Replacement Services

Tyre, Exhausts and Battery Replacement

Should your vehicle require replacement tyres simply take the vehicle to any one of our approved centres, or contact them in advance on the number provided on your dedicated driver card. A mobile tyre service upon request should this be more convenient.

Body Glass Replacement

Should your vehicle require glass replacement or repair please take the vehicle to any one of our approved branches or, alternatively, glass replacement can be arranged by using the driver helpline card. Mobile glass replacement/repair service upon request should this be more convenient.

Refer to your Driver Helpline Card for contact details.

Please Note: This service is applicable subject to your Corporate Agreement
